## ETSY.COM

ValekRollingPins by Polish designer Zuzia Kozerska, available on etsy.com, is a large collection of laser-engraved rolling pins. Available in various geometric patterns, animal motifs and graphic shapes, they will add bursts of personality to your cookies and pies. Use them to make pasta, birthday cake frosting, and even dumplings.

## ^ SCAVOLINI

The 'Ki' kitchen combines Scavolini's prestigious craftsmanship with Nendo's distinctive aesthetic approach to create a minimalistic interpretation of contemporary tastes. The island and peninsula composition consists of linear shelves and multi-purpose containers. The specially designed seats and cooker hood complete the space envisioned by Nendo.
